

Friends of Milo Library

We would like to thank Barb Godkin for nominating the Friends of Milo Library as a charity of choice for the Canada's Farmers Grow Communities Program sponsored by the Bayer Fund. We will receive a \$2,500.00 grant.

"First introduced in 2012, Canada's Farmers Grow Communities is a program aimed at strengthening rural communities by equipping local non-profit organizations with funds to carry out much-needed community work. The aim is for farmers to help improve the lives of many people living in rural communities. The Bayer Fund, the philanthropic arm of Bayer, has expanded the Canada's Farmers program to provide a total of 66 grants, each valued at \$2,500, to charitable and not-for-profit groups nominated by farmers. Canadian farmers have applied on behalf of agricultural societies, 4-H clubs, playgrounds, daycares and school projects, community sporting organizations, libraries and health/service groups.."
