Blackie History Books Donated

On April 13, Sharon and Leslie Cooke and Tom Greene of the Blackie History Book Committee, and friends, braved the spring blizzard to come out to Milo. They very kindly gifted the library with copies of Fencelines and Furrows Volumes 1 and 2, but their primary mission was trying out the hotel's famous Wing Night.

They treated this librarian to good food, good drinks, and great company, and I'm pleased to say the wings lived up to the hype. They are already planning their next trip out to try more flavours and maybe sneak in a tour of the library.

The books provide general and family histories and fun facts about the Blackie, Brant, Farrow, Frankburg, Herronton, and Mazeppa areas. They can be found in our reference collection. We are grateful for their generosity in expanding our sources for local history.
